2.8 **Bid Proposal Opening**

2.10 **Rejection of Bid Proposals**

The Agency reserves the right to reject any or all bid proposals, in whole and in part, received in response to this RFP at any time prior to the execution of a written contract.

This RFP process is for the Agency's benefit and is intended to provide the Agency with competitive information to assist in the selection of a vendor to provide services. It is not intended to be comprehensive and each vendor is responsible for determining all factors necessary for submission of a comprehensive bid proposal.

2.11 Disqualification

The Agency shall reject outright and shall not evaluate proposals for any one of the following reasons:

- 2.11.1** The vendor fails to deliver the bid proposal by the due date and time.
- 2.11.2** The vendor states that a service requirement cannot be met.
- 2.11.3** The vendor's response materially changes a service requirement.
- 2.11.4** The vendor's response limits the rights of the Agency.
- 2.11.5** The vendor fails to include information necessary to substantiate that it will be able to meet a service requirement. A response of "will comply" or merely repeating the requirement is not sufficient. Responses must indicate present capability; representations that future developments will satisfy the requirement are not sufficient.
- 2.11.6** The vendor fails to respond to the Agency's request for information, documents, or references.
- 2.11.7** The vendor presents the information requested by this RFP in a format inconsistent with the instructions of the RFP.
- 2.11.8** The vendor initiates unauthorized contact regarding the RFP with state employees.
- 2.11.9** The vendor provides misleading or inaccurate responses.

2.12 Nonmaterial and Material Variances

The Agency reserves the right to waive or permit cure of nonmaterial variances in the bid proposal if, in the judgment of the Agency, it is in the Agency's best interest to do so. Nonmaterial variances include minor informalities that do not affect responsiveness; that are merely a matter of form or format; that do not change the relative standing or otherwise prejudice other vendors; that do not change the meaning or scope of the RFP; or that do not reflect a material change in the services. In the event the Agency waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFP requirements or excuse the vendor from full compliance with RFP specifications or other contract requirements if the vendor is awarded the contract. The determination of materiality is in the sole discretion of the Agency.

2.13 Reference Checks

The Agency reserves the right to contact any reference to assist in the evaluation of the bid proposal, to verify information contained in the bid proposal and to discuss the vendor's qualifications and the qualifications of any subcontractor identified in the bid proposal.

2.14 Information From Other Sources

The Agency reserves the right to obtain and consider information from other sources concerning a vendor, such as the vendor's capability and performance under other contracts.

2.15 Verification of Bid Proposal Contents

The content of a bid proposal submitted by a vendor is subject to verification. Misleading or inaccurate responses shall result in disqualification.

2.16 Criminal History and Background Investigation

The Agency reserves the right to conduct criminal history and other background investigation of the vendor, its officers, directors, shareholders, or partners and managerial and supervisory personnel retained by the vendor for the performance of the contract.

2.17 Bid Proposal Clarification Process

The Agency reserves the right to contact a vendor after the submission of bid proposals for the purpose of clarifying a bid proposal to ensure mutual understanding. This contact may include written questions, interviews, site visits, a review of past performance if the vendor has provided goods or services to the Agency or any other political subdivision wherever located, or requests for corrective pages in the vendor's bid proposal. The Agency will not consider information received if the information materially alters the content of the bid proposal or alters the type of goods and services the vendor is offering to the Agency.

2.18 Disposition of Bid Proposals

All proposals become the property of the Agency and shall not be returned. At the conclusion of the selection process, the contents of all bid proposals will be in the public domain and be open to inspection by interested parties subject to exceptions provided in Iowa Code Chapter 22 or other applicable law.

2.19 Public Records and Requests for Confidential Treatment

The Agency may treat all information submitted by a vendor as public information following the conclusion of the selection process unless the vendor properly requests that information be treated as confidential at the time of submitting the bid proposal. The Agency's release of information is governed by Iowa Code chapter 22. Vendors are encouraged to familiarize themselves with chapter 22 before submitting a proposal. The Agency will copy public records as required to comply with the public records laws.

If the vendor designates any portion of the RFP as confidential, the vendor must submit one copy of the bid proposal from which the confidential information has been excised.

In the event the Agency receives a request for information marked confidential, written notice shall be given to the vendor seven calendar days prior to the release of the information to allow the vendor to seek injunctive relief pursuant to Section 22.8 of the Iowa Code.

2.20 Copyrights

By submitting a bid proposal, the vendor agrees that the Agency may copy the bid proposal for purposes of facilitating the evaluation of the bid proposal or to respond to requests for public records. The vendor consents to such copying by submitting a bid proposal and warrants that such copying will not violate the rights of any third party. The Agency shall have the right to use ideas or adaptations of ideas that are presented in the bid proposals.

2.21 Release of Claims

By submitting a bid proposal, the vendor agrees that it will not bring any claim or cause of action against the Agency based on any misunderstanding concerning the information provided herein or concerning the Agency's failure, negligent or otherwise, to provide the vendor with pertinent information as intended by this RFP.

2.22 Presentations

Vendors may be required to make a presentation of the bid proposal and/or present a portion of the scope of work defined in this RFP. The presentation may occur at the Agency's offices or at the offices of the vendor. The determination as to need for presentations, the location, order, and schedule of the presentations is at the sole discretion of the Agency. The presentation may include slides, graphics and other media selected by the vendor to illustrate the vendor's bid proposal. The presentation shall not materially change the information contained in the bid proposal.

2.23 Evaluation of Bid Proposals Submitted

Bid proposals that are timely submitted and are not subject to disqualification will be reviewed in accordance with Section 5 of the RFP. The Agency will not necessarily award any contract resulting from this RFP to the vendor offering the lowest cost to the Agency. Instead, the Agency will award the contract to the compliant vendor whose proposal receives the most points in accordance with the evaluation criteria set forth in section 5 of this RFP.

2.24 Award Notice and Acceptance Period

Notice of intent to award the contract will be sent by mail to all vendors submitting a timely bid proposal. Negotiation and execution of the contract shall be completed no later than **March 1, 2010**. If the apparent successful vendor fails to negotiate and deliver an executed contract by **March 5, 2010**, the Agency may cancel the award and award the contract to the next highest ranked vendor.

2.25 Definition of Contract

The full execution of a written contract shall constitute the making of a contract for services and no vendor shall acquire any legal or equitable rights relative to the contract services until the contract has been fully executed by the successful vendor and the Agency.

2.26 Choice of Law and Forum

This RFP and the resulting contract are to be governed by the laws of the state of Iowa. Changes in applicable laws and rules may affect the award process or the resulting contract. Vendors are responsible for ascertaining pertinent legal requirements and restrictions. Any and all litigation or actions commenced in connection with this RFP shall be brought in the appropriate Iowa forum.

2.27 Restrictions on Gifts and Activities

Iowa Code Chapter 68B restricts gifts which may be given or received by state employees and requires certain individuals to disclose information concerning their activities with state government. Vendors are responsible to determine the applicability of this Chapter to their activities and to comply with the requirements. In addition, pursuant to Iowa Code section 722.1, it is a felony offense to bribe or attempt to bribe a public official.

2.28 No Minimum Guaranteed

The Agency anticipates that the selected vendor will provide services as requested by the Agency. The Agency will not guarantee any minimum compensation will be paid to the vendor or any minimum usage of the vendor's services.
